

卷之九

周易

This image shows a large, rectangular piece of aged, yellowish-brown paper. At the top edge, there is handwritten text in black ink. The characters are arranged in two rows: the first row contains '九月廿八日' (Ninth Month, Day 28), and the second row contains '歲次癸卯'. The paper has a textured surface with visible fibers and some minor discoloration or foxing.

A metric ruler is shown horizontally, with markings every millimeter. The numbers 2, 3, 4, 5, 6, 7, 8, 9, and 10 are printed in red at the top of the ruler, corresponding to the centimeter marks. Between each red number, there are nine smaller black numbers representing millimeters (1 through 9). The zero mark is at the far left.
