

卷之二

The image shows a single sheet of aged, yellowish-tan paper. Along the right edge, there are four large, dark brown or black characters written vertically. From top to bottom, the characters are '四' (Shi), '五' (Wu), '六' (Liù), and '七' (Qi). The paper has a textured appearance with visible vertical and horizontal creases, suggesting it was folded or handled in the past. There is some minor foxing or staining, particularly towards the bottom left corner.
